

Press release Calendar Week 20/I

From showoff to towoff Rameder for Jeep Renegade

Rebellions are ordinarily a tough business for which you need the right equipment. No wonder then that a Jeep Renegade is and wants to be more than just a beau. While this mini-SUV was given impressive off-road characteristics by its “parents”, **Rameder** has seen to an inexpensive removable towbar. Europe’s leading provider of transport accessories sells its towing hook and 13-pole electrical kit for only Euro 388 in all at www.rameder.eu.

Thanks to its 1,500kg towing capacity, the Jeep Renegade can also play in the “royal league”. Real caravans do not pose a problem, nor do most transport trailers. Thanks to powerful engines, even the 2WDs are good “tractor units”, while the 4WD models are perfect ones. Incidentally, a vertical loading capacity of 75kg makes this **Rameder** towbar also a perfect bicycle rack for four normal or two e-bikes.

So thanks to this smart hook no one has to defect if there is no more space inside a Renegade.
